TELEHOUSE

Telehouse
South

Blackwall Yard, 1 Paul Julius Close, London E14 2EH

Telehouse is expanding its iconic London Docklands Campus

Available from early 2022, Telehouse South will provide a maximum of 15 MW of IT power and integrate with the main Telehouse London Docklands campus via a dark fibre network. The new data centre will offer access to more than 800 connectivity partners flowing into the campus. The new data centre is located approximately 300 metres from the main London Docklands campus at Blackwall Yard, 1 Paul Julius Close, London E14 2EH.
